

LashLoungeByLeahJ Eyelash Technician Certification Itinerary:

Group classes including eyelash extension certification will require 2 days of training. Day one consists of education and classroom hours, day two consists of 1-on-1 live model practice.

- I. Lash Knowledge & Techniques
- II. Mannequin Practice
 - a. Installation
 - b. Removal
- III. Live Model Practice
 - a. Sanitization and Safety
 - b. Certifications
 1. COVID-19 Certification: This program is designed to present the most current information that is pertinent to the Professional Beauty Professional. This information changes daily, but the guidelines for the Professional Beauty industry are likely to remain consistent in the short term. All rules and guidance of individual states must be followed.
 2. Barbicide: Completing this course earns you a portfolio-ready certificate showing your dedication to infection control in salons, spas, and barbershops.
- IV. Branding/Business Consultation - Feel free to bring ideas like possible brand names, strategic business plans, and other ideas you already have in mind. Let's expand on them with all the knowledge you'll gain from this class!
 - a. Scheduling
 - b. Promotion
 - c. Marketing
 - d. Expenses
 - e. Crisis Management
 - f. Customer/Client Relations and Etiquette

Take Home:

1. Starter Kit
 - a. Practice Mannequin
 - b. Practice Lashes
 - c. Tweezers
 - d. Eye Patch
 - e. Mini Fan
 - f. Eyelash Brushes
 - g. Micro Brushes
 - h. Primer Brushes
 - i. Glue Rings
 - j. Starter Bag
2. LBLJ Supply & Product List – Lash technicians on average take 2.5 years to figure out which products are safest to use while providing quality services including the best retention! Following your course, you will have a list of all of these products including eyelash primer, eyelash extension vendors, eyelash tape that is nonabrasive to the eye, eyelash glue, a local wholesale vendor, and lash technology (LED light with fan and phone holder, POS stand, income/expense sheets and applications)

Apprenticeship available upon completion to gain your clientele, further experience, and get your business started with the guidance of a master tech!
